SPEAKERS INSIDE

Die neue Sonic-Serie bietet eine interessante range in kompakter Ausführung und druckvollem Sound im mittleren Leistungsbereich für den mobilen Live-Einsatz sowie Installationsanwendung. In Kombination mit den Sonic-Subs ergibt sich eine Vielzahl anwenderspezifischer Sat-Systemvariationen.

The new Sonic-Series offers an interesting range with compact size and a powerfull soundpressure in the medium class-range of performance, for mobile-live and installation use. In combination with the Sonic-Subs, there are many satellite-system-variations, designed to user-spezifications.
